MESSAGE

Zeta Phi Beta Sorority, Inc. turned 100 on January 16, 2020. The Zeta train is in full celebration mode across the world, with all Sorors' eyes focused on Washington D.C. this June for our Centennial Grand Boule 2020.

My heart is full and grateful to be connected to such an historic, august organization of women devoted to service, sisterhood, scholarship and finer womanhood. Because of the sacrifices of our founding Pearls, the Honorable Arizona Cleaver Stemons, Pearl Anna Neal, Myrtle Tyler Faithful, Viola Tyler Goings and Fannie Pettie Watts, I have come realize that Zeta is more than an organization; Zeta is a movement. Therefore, our Centennial year is more than a reason to party; this special time in history is a tribute to a vision that is greater than each of us as individuals.

I am reminded of our national hymn:

"With fervent hearts we pray
For you, Zeta, each day
You've always stood for right
Rather than for might
We will love you ever
And forsake you never.

When Zeta calls we'll answer one and all..."

The day that I earned the right to sing that song, I shed tears because I began to understand the values on which our beloved sorority continues to stand. God willing, as I move throughout this year, I know the feeling of pride will only grow. I want my life to be a positive reflection of Zeta Phi Beta Sorority, Inc. and an asset to my fellow Sorors. I want to be a good Zeta because Zeta has been more than good to me. Z-Phi!!!

Stay Finer,

Darcell Norwood-Baugh, President

Greetings Sorors and Friends,

Welcome to our Centennial Sorority Year! As the Centennial President of Tau Psi Zeta, I plan on lead with a clear vision for 2020 with the help of the Executive Board and Members. With your help, we will formulate a long-term vision and a strategic plan to implement them. If we remain dedicated, we will have better visibility.

In addition to celebrating our Centennial, you all will choose the next leaders of TPZ during our meeting in May of 2020. It is understood; selecting leaders is an important task, which should not be taken lightly. Sorors, you must think for yourself and consider facts in making your decision. Each of us must determine for ourselves what characteristics, qualities, and skills we believe are needed for leaders in each of the offices. The leaders you elect will work together to develop a vision and set the chapter on a course to achieve their goals and objectives over the next two years. I do not know about you, but I am excited about what God has in store for TPZ.

As a chapter, we have worked diligently to attain the goals I set forth as part of my platform in 2018. I am pleased to report the six of my eight goals are now completed. We are continuously increasing membership and bringing Sorors “home” to Zeta! We have been able to enjoy our sisterly socials to increase our sisterly bond and retention efforts. Our chapter is expanding and I would like to thank the membership and reclamation committees for their tireless efforts!

“The leaders you elect will work together to develop a vision and set the chapter on a course to achieve their goals and objectives over the next two years. I do not know about you, but I am excited about what God has in store for TPZ.”

Presenting Xi Class

By Soror Teri Lewis

On October 20, 2019, we gathered with the family and friends of our 19 newest members too officially present them to society. We affectionately call them, "Xi Class." The large gymnasium at Michelle Obama School of Technology and the Arts was transformed into a winter wonderland. The sweets table was gorgeous! The paparazzi was in full effect as each Soror was formally introduced. They all looked beautiful in their royal blue gowns as they were escorted by a special person in their lives, from husband to son to godfather to family friend. After receiving gifts from family, friends and Sorors, Xi Class treated all of us to a beautiful song and a dance/stroll that represented the beginning of their journey together. Welcome again Sorors!

Journey to Centennial

Zeta Phi Beta Sorority, Inc. Turns 100; Tau Psi Zeta Chapter Celebrates

By Soror Leah Bailey Langston

Throughout the Fall and Winter of 2019, Tau Psi Zeta train has been steadily chugging along on our Journey to Centennial. On the way, we have made a few fun stops. First, was our fabulous photo shoot at the Chicago Historical Museum on a beautifully, sunny, but unseasonably cold October morning. Bright and early on this Sunday morning, eighty-eight of our bravest Sorors donned their pure white dresses and royal blue shoes to pose for the first of our Centennial photos. With his talented eye and a little post shoot editing, Brother Hammond produced an amazing photograph in which TPZ appears to stand right in front of our own Z Phi B building. Our next stop was photo shoot Number 2, which occurred at the newly renovated Malcolm X College. In contrast to the first photo shoot, this 167 Tau Psi Zeta chapter members posed in our glorious royal blue. Our Visionaries, Amicae, Life Members, Charter Members, and Zeta Male Network,

also had their moments in front of the camera. The final stop was for our beautiful Youth; smiling brightly in their Archonette, Amicette and Pearlette shades of blue. We are so excited to see the entire Tau Psi Zeta Family featured in the Commemorative Centennial Journal in June 2020.

#ONEZETA

The TPZ train did not just make stops in 2019, we also picked up some passengers. Group #1 – our 75 Centennial Visionaries – 9 Circle of Pearls (\$5000), 7 Heritage Donors (\$1000), 11 Lead Donors (\$500), and 48 Charter Donors (\$250). The Journey to Centennial Committee is so proud that TPZ will be represented so well in the 2020 Visionaries activities and acknowledgements.

Group #2 – the 35 Sorors attended our Founders' Weekend Celebration, January 15-19, 2020. This special group was among the 2,000 Sorors bringing in our official Centennial year at the Zeta plot on the campus of Howard University. The place where it all began. This was a magical night and we look forward to sharing all of the wonderful accounts from these Sorors for months to come.

Last, but certainly not least, the TPZ train picked up 133 Sorors holding a once-in-a-lifetime ticket to our epic Centennial Grand Boule to be held June 23-28, 2020. Registrations have been paid, hotel rooms reserved, and flights booked for this historic celebration. This stop will be the most fabulous of them all.

If you haven't purchased a seat on the TPZ train headed on this fantastic Journey to Centennial, it's not too late. Regular registration ended on January 31, 2020, and Late registration ends on April 30, 2020. Don't miss this train, it won't come around again for 100 years!!

Pearlettes, Amicettes & Archonettes Tau Psi Zeta Chapter Youth in Action

By Sorors Camille Tunstall and Johnique Davis

The Blue & White Family Takes In UniverSoul Circus — On Saturday, October 26, 2019, Tau Psi Zeta Youth experienced a fundraiser like no other. Tau Psi Zeta Youth teamed up with the brothers of Pi Psi Sigma Chapter of Phi Beta Sigma Fraternity, Inc. and their youth, Sigma Betas, to meet under the Big Blue Top. Ringmaster Zeke checked in with Youth Advisors, Johnique Davis and Camille Tunstall to make sure everyone was having a good time. Pearlettes Johniece and Jorianna Stewart sat on the edge of their seats anxiously anticipating the next act. Crowd participation was a highlight as giant inflatable balls were tossed with excitement through the blue and white crowd and both Zetas and Sigmas played a UniverSoul favorite crowd pleaser game. We hope to see you next year under the Blue Top!

Welcome Back-Dinner en Bleu: Zeta turns 100! — On November 2, 2019, the Youth Auxiliary of Tau Psi Zeta Chapter welcomed dinner guests to their new restaurant, Tots to Pearls. Every year the Youth Auxiliary signals the beginning of the new program year by hosting a table at the annual sponsoring chapter's open house event. New members, reclaimed members, Amicae and Youth can visit display tables to discover tidbits and morsels about various committees. Each committee is charged with creating a display table that will invite, engage and ultimately inform an audience while showcasing a particular theme. Each table is also judged and entered into a competition amongst other committee tables. This year's theme selection was Dinner en Blue and the youth added a twist celebrating Zeta's 100th Birthday. The Youth were very excited about this as they are past winners. Pearlette Meghan Carter helped usher potential committee members into the restaurant to dine and learn more. This year the Youth display did not place in the competition but they are always looking forward to next year's Welcome Back Open House competition.

Blue & White Family Cruise-Youth Service at its Phinest — On Saturday, November 9, 2019, Tau Psi Zeta Youth were on hand to assist the Blue & White Family with service unmatched by any other Divine 9 youth group. TPZ Youth and their Advisors travelled to Nassau, Bahamas with toiletries, big smiles and ready to serve hands and hearts. Amicette, Symone Waite bagged popcorn and made snow cones for residents. Pearlette Advisors, Latotya Bennett-Lindbergh and Camille Tunstall gave the girls a much needed break. While Amicette Advisor Zshoan Lathan gave a hand in another location. The best highlight for our TPZ young ladies was making new Pearlette friends on the island.

Sertoma: Youth in Service — Tau Psi Zeta Youth never miss the annual Sertoma Holiday party. Youth were there to serve along side of their Big Sisters. December 14, 2019 was a day of usual service where Sertoma residents were treated to games, cookie decorating and of course lunch and more. Pearlette Meghan Carter delivers lunch to a holiday resident. The mission of Sertoma Centre, Inc. is to provide opportunities that empower individuals with disabilities to achieve personal success.

Inductions: Welcoming our Legacies — On Sunday, November 17, 2019, Tau Psi Zeta Youth affiliates welcomed 36 new members. Apostolic Church of Morgan Park located at 11401 S. Vincennes, Chicago, IL was the setting for this year's Youth Affiliates Induction Ceremony. Sorors, Sigmas, Zeta Affiliates and guests packed the venue to welcome our future legacies into the fold. Seven Pearlettes, 12 Amicettes, and 17 Archonettes were pinned and given membership certificates and gifts. The totals for each group have been holding steady for the past five years with a robust roster of 20 Pearlettes, 25 Amicettes and 31 Archonettes. These totals are the largest of any Zeta Youth Affiliate group in the state of Illinois.

Undergraduate Chapter Reports

By Soror Shannon Blackburn

During Summer 2019, Nu Delta and Omicron Delta's Chapter Presidents undertook the Zeta Organizational Leadership Program Challenge. Both chapters represented at ZOL and TPZ sent each chapter's President to the Undergraduate Retreat and the 2019 ZOL certification program.

Nu Delta Chapter:

Nu Delta started the semester by doing what Zetas do...SERVICE. Chapter members assisted freshman students on "Move in Day" while collecting school supplies for their Annual School Supply Drive. Later in the month, chapter members kicked off the new semester by participating in Quad Day activities. They offered free ice cream cones to students in need of a sweet treat and then mixed things up by hosting "speed friending", a twist on speed dating. It was a great way to help freshman students connect with upper classman and make new friends.

In September, the chapter held their Annual Labor Day picnic. It was a collaborative effort with several National Panhellenic Council and Panhellenic Council organizations on campus to promote unity. The event was a great success and offered a festive holiday for those unable to go home for the holiday. Chapter members volunteered during Illinois Day of Service and encouraged others to help out as well. The Blue and White Family worked side by side at Champaign Church of Brethren packing books and cleaning the facility. Sorors volunteered at "Feed My Starving Children" and helped package 2,376 meals. The chapter rounded out the month by making vision boards, participating in Meet the Greeks, the Yard Show, BGC Union Party and of course their "Pie a Zeta" event.

Moving into October, the Chapter participated in the American Cancer Society Walk in Champaign. Members helped raise awareness and funds to help find a cure by sponsoring a bake sale and selling wristbands. Sorors cleaned their Adopt-A-Highway to help the environment and again partnered with Phi Beta Sigma Fraternity, Inc. to work together at Wesley Food Bank. Chapter members packed donations for Cunningham Children's Home via Kits for Care. The chapter doesn't stop at service, however members are always willing to lead and learn. Nu Delta Chapter hosted Zeta Phi Beta Sorority, Inc.'s 53rd Annual Illinois State Conference. Hundreds of Zetas merged on the campus for a weekend filled learning experience with the chapter earning extra points for being hospita-

ble. The members rounded out October by sponsoring an open dialogue with the National Association of Black Journalist regarding current issues going on in the media.

November kicked off Zeta Week, and the chapter presented "Zetalodeon." A week of favorites including a Z-HOPE sexual health survival guide, study tables, an Old School Candy sale, a service event. Nu Delta ended their Zeta Week by presenting their newest members Z.S.S.W.H.I.T.E.E.L.E.G.A.N.Z.E. The four members Jasmine Williams, Alexandria Kinard, Jessica Elliston and Alia Alicea joined the Sisterhood in royal fashion November 17, 2019.

December the chapter collected Sanitary Products for Courage Connection. Nu Delta celebrated 48 Years of Sisterhood. The chapter's Charter Day was December 13th and the chapter reminisced with alumni. TPZ hosted it's Annual UG Holiday Social on December 27, 2019 and UG Winter Retreat on December 28, 2019. Nu Delta was in the house and enjoyed the fellowship and learning opportunities during the weekend events. We are focused and ready for Centennial, 2020 is the year of Zeta, the Blue & White take over. So, get ready cause Nu D is bringing it!

Omicron Delta Chapter:

Omicron Delta Chapter began their semester by giving from the heart. Chapter members volunteered and assisted female freshman students move into their dorms on Move-In Day. Not only did they help bring in boxes and bags but they helped the students set up their dorm rooms. Parents were grateful for the help and for the ice-cold bottles of water the chapter passed out to families. Speaking of “welcoming” students, Omicron Delta presented welcome kits to former Archonettes and freshman students who belong to members of the Blue & White Family.

All things August, the chapter collected backpacks and school supplies during their Annual School Supplies Drive; donations were presented to the chapters Adopt-A-School. OD kicked off September by participating in EIU’s Meet the Greeks events on campus and hosted a paint-n-sip, made vision boards, an ice-cream social and lock-in at the Zeta House. Chapter members completed the month by attending Campus Hazing awareness events and campaigns.

In October the Chapter attended Zeta Phi Beta Sorority, Inc.’s 53rd Annual Illinois State Leadership Conference in Champaign, IL. Chapter members attended embellishments to become better Zetas and they worked side by side with Nu Delta Chapter assisting them in welcoming Sorors to the conference... #OneZeta.

OD also participated in the Sorority’s National Initiatives with the American Cancer Society -Making Strides Walk. They collected over \$300 for the cause by selling cancer awareness ribbons. They also promoted Domestic Violence Awareness by passing out ribbons at the Z-HOPE event and Domestic Violence and Dating Healthy forum. On Halloween the chapter participated in Greek Treats & Sweets; they passed out candy and painted local children’s faces when they visited Greek Court. Chapter members cleaned their Adopt-A-Highway twice this past semester. They included NPHC members during one cleaning mission to support unity during service.

In November Omicron Delta sponsored a “Thank a Veteran” letter writing campaign. They joined forces with the National Pan-Hellenic Council for Girls on the Run in Mattoon, Illinois; and the chapter supported Prematurity Awareness and passed out awareness ribbons and candy in the University Union.

Because November is about family, we welcomed five new members on November 16, 2019... Shariah Campbell, Ke’Ara Cherry, Morgan Colvin, Kayla Ruth and Imani Tapley. Z.S.S.P.E.A.R.L.Z. has joined the fold and started their Zeta journey working for the chapter and the Sisterhood. During Thanksgiving break Omicron Delta continued to stay focused and volunteered to feed the less fortunate with Chicago NPHC at Quinn Chapel.

December had OD dreaming of a Blue Christmas as they completed the semester volunteering with Delta Sigma Theta at their Annual Breakfast with Santa. Chapter members served families, passed out toys and painted faces. The chapter hosted their Annual Christmas Secret Sister event and played games and took photos as a sisterhood event. In December TPZ hosted their Annual UG Holiday party and UG Winter Retreat. OD was in the House laughing, living and learning. We are focused, prepared and 2020 ready. The chapter is moving forward, we are fierce, we are fabulous and we are FINER.

The Ronald McDonald House

By Soror Tameka Sharrieff

Meals From The Heart at The Ronald McDonald House. On Saturday, October 26, 2019 at 6:30 p.m., despite a dark, cold rainy evening, The Amicae of Alsip, Illinois were able to shine!

Amicaes, Friends and Supporters which numbered twelve, prepared a wonderful dinner for about twenty-five family members who were guests at the House due to their children undergoing medical treatment at Advocate Christ Hospital. The dinner consisted of fried and smothered chicken, whipped potatoes, vegetables, a large tossed salad and rolls. Also for desert, a colorful assortment of cookies became a big hit with the children.

A family, who did not eat meat, was at dinner and they were pleased that they had a vegetarian option. A wife who had just given birth was "thankful" that hot food was prepared for her family because she had to spend the majority of her time with her new born. Her husband really enjoyed the fried chicken and repeatedly complimented the cooks. Each family personally thanked the Amicaes for preparing dinner for them and returned to their rooms with smiling faces.

One member was very quiet; She ate quietly alone, but before retiring, expressed gratitude about the hospitality.

It was a relaxing time for the families. We conversed and enjoyed one another. A light pause in their day, if only for a moment. Enough food was prepared and stored for the families in case they wanted to eat leftovers the next day. The evening was a success and the bright, cheerful faces of the Amicaes made an otherwise dreary evening into a couple of hours of warm comfort to families in need of a big "hug".

TPZ Sorors & Auxiliaries Share Holiday Season Blessings and Love for Community Service

By Soror Rachael Davis

Tau Psi Zeta Chapter Sorors, Auxiliaries and invited guests spread blessings and love to those in need by participating in community events on Thanksgiving Day across the Chicagoland area. Each year, the chapter selects five events to honor the Founders of Zeta Phi Beta Sorority, Incorporated; "The Five Pearls" and one of the principles of which the organization was founded, service. This year, the chapter selected to participate with Chicago's National Pan-Hellenic Council, Faces Barber and Beauty, Zion Grove Baptist Church, Hope for A Better Tomorrow and the Salvation Army, all businesses and organizations providing community feedings to Chicago's impoverished and homeless communities.

All the events are family-friendly, which allow chapter members and auxiliaries to serve alongside their family and friends. Sorors and Amicae participated and donated to The National Pan-Hellenic Council of Chicago's 17th Annual Thanksgiving Community Dinner with a goal of feeding over 1500 of the community's sick, elderly and less fortunate. Additionally, for the second year in a row, the chapter participated in Zion Grove church's community feeding, where the organizers have been thankful that the chapter has not only assisted, but also donated "Patti Pies", which has proven to be a big hit at the community feeding.

On the west side of Chicago, Tau Psi Zeta chapter partnered with the Sorors of Tau Xi Zeta, "The Finer Women of Forest Park", to complete an inaugural community feeding by Faces Barber and Beauty Shop. Sorors assisted the organizers in passing out dinners and toiletries to the community. They also participated in the Salvation Army's annual Thanksgiving, where over 1200 individuals were served. Pearlette Meghan Carter, age 7, was interviewed by ABC7 news for volunteering as a silverware wrapper for the Salvation Army and gave her input on being one of the youngest volunteers on Thanksgiving Day.

Finally, Tau Psi Zeta chapter members assisted their fellow Soror, Regina Berry's organization, Hope 4 A Better Tomorrow at a community feeding in Englewood. They were given the opportunity to assist in hosting 10 soldiers from the Naval Base. Service and Social Action chair, Tranese C. Walker, is thankful for being part of an organization where she can make a direct impact to so many individuals in need. Next year the committee hopes to expand their Thanksgiving event to include hosting their own community feeding in the south suburbs.

THE PEARL ZONE STEP TEAM DOMINATES COMPETITION ON STAGE

The Pearl Zone Step Team performing at the 2019 Chicago Greek Step Classic on September 13.

The Pearl Zone Step Team made their big return in the summer of 2019. After being on hiatus for a few years, TPZ Step Team brought home two big wins to let the Greek community know “Stepping Ain’t Dead” and it’s here to stay.

On June 15, 2019, the ladies competed in the

Alpha Kappa Alpha Sorority, Inc., Divine 9 STEPS Step Show at Chicago State University. The Pearl Zone took home the 1st place win and \$1,000 grand prize for their comeback performance.

The Pearl Zone didn’t stop there.

The team competed in the Chicago Greek Step Classic at Harold Washington Cultural Center during the Chicago Football Classic Weekend.

Teams from the Divine 9 competed with a step or stroll performance. For this competition, only one sorority and one fraternity could take home the grand prize. TPZ stepped their way into the

hearts of the crowd and judges and brought home win and the \$3,000 prize. Guest judge Soror Syleena Johnson congratulated the team on their win.

In Loving Memory of Triumphant Soror Adria Yvonne Joseph

The entire Tau Psi Zeta Chapter mourns the loss of their beloved Charter Member Soror Adria Yvonne Joseph. Ajai, as family and friends knew her, was full of life and love. Her presence was always known whenever she entered a room. Her motto was “I don’t need to ask to sit at the cool kids table. The cool kids ask to come sit with me.”

If you knew Adria, you knew two of her biggest loves were her kids and shoes. She worked in Human Resources for many years and worked as an Event Planner during her spare time. She joined Zeta Phi Sorority, Incorporated, Zeta Tau Zeta Chapter on December 18, 2002. Adria always talked about how it was one of the best decisions she ever made. A few years later, as she began to thrive, Adria became a charter member of Tau Psi Zeta Chapter with 19 other women. Adria served as Fundraising Chair and a member of various committees during her time with the chapter. In 2013, Adria took her talents to Las Vegas, Nevada, where she would build a new, fulfilling life for herself and her children, Brandon and Brooklyn. Whom were known as the Killer B’s.

Adria would later be diagnosed with Hodgkin’s Lymphoma in 2017. She shared her progress with family and friends daily via social media. Her drive to fight inspired many to push forward and harder for what they want. Family and Friends wore the color purple in support of Adria’s fight against cancer.

Soror Joseph gained her wings on January 9, 2019 in Las Vegas, NV; a month before her 47th Birthday. Adria will forever be known for her love of shoes, her love for her Killer B’s, her witty commentary, laughter and kindness.

Rest Well Triumphant Soror Adria Yvonne Joseph. You will be greatly missed. Til We Meet Again, Cool Kid.

#FightLikeAdria
