I would like to officially welcome you all back to the Virtual 2020-2021 Sorority Year. All Chapter updates will continue to be communicated via Newsletter, emails and our website. Please check regularly due to time sensitive announcements.

Please note all Chapter meetings and Executive Board meetings will be held virtually via our Zoom platform until further notice. You must be financial to receive access to any Zoom meeting in order to protect the integrity of our Chapter meetings. Please do not forward any correspondence you receive.

Lastly, there is still a lot of work to do in our communities, in our schools, in our state and in our Nation. The Leaders of the Chapter are working diligently to on programs, events and community service, which still requires your participation. Together we are a force with a purpose on a mission. That is what we do!

"Our way of life has changed dramatically from anything we have ever known and yet we rise because we are Zeta and Amicae strong!"

EDITOR'S MESSAGE

Greetings Sorors, Amicae, Youth, Brothers, Family and Friends! It's an honor and privilege to serve you for the first time as the Editor of Pearl Pages.

Zeta Phi Beta Sorority, Incorporated celebrated 100 on January 16, 2020. We had a beautiful celebration in January, with more festivities planned for June 2020, but the Coronavirus pandemic paralyzed the world causing the cancellation of the 2020 Centennial Grand Boule' Celebration. The world around us, places we gathered for fun or with family, places we work, places we call home, all changed. This life changing and unprecedented pandemic became an unexpected part of Zeta Phi Beta Sorority Centennial history.

As a newly inducted member of the Spring 2020 Centennial Omicron class of Tau Psi Zeta Chapter, my experience during the midst of the pandemic has been different, but my Sorors and I showed how we can rise to any challenges. The biggest challenge thus far has been the pandemic, but we found different and creative ways to stay encouraged and connected by conducting virtual meetings, virtual celebrations, virtual sisterhood activities, drive-by celebrations, and still continue to support the communities with drop-off donations.

We will continue to seek more innovative ways to help and empower the communities we serve and continue to seek ways to impact a change as we are reminded that our sisterhood has a necessary need to continue to serve our families and communities as we have done so for 100 years.

Hopefully, we can look at this difficult year in the rearview mirror and look forward to a prosperous 2021! I am looking forward to continuing to bring you the latest TPZ news. Happy Holidays and hope to "see" you physically in the New Year.

Sisterly,

VIRTUAL NEW MEMBER PRESENTATION OF OMICRON CLASS

By Soror Teri Lewis

On Sunday, October 25, 2020, the Spring Centennial Class were introduced to family and friends and Sorors via Zoom. Two hundred participants logged in via Zoom to meet the newest members of Omicron Class. Despite the event being virtual, Omicron Class enjoyed their Blue Christmas.

Dressed in elegant blue attire, Omicron Class showed up and showed out. Members of Omicron were asked to select a song and explain why they chose it. Their personalities were on full display through their FINER attire. Each background was filled with "Bluetiful" room décor and wonderful song choices! "Omicron" is a microcosm of the Zeta we love; a group of very different women who come together with a common vision!"

As in past years, Omicron Class presented gifts to those who gave extra of their time, talents and treasures during their MIP process. Their gift to the chapter was a monetary donation in the amount of \$1,920.00 to be used as seed money for a potential TPZ property. **THANK YOU OMICRON!!!!**

Thank you to all Sorors, Frat, Amicae, Youth and Zeta Male Network Members who joined us for this occasion. We must give a **Special Thanks** to the Charms for being onsite with members of Omicron to assist them on their day. Omicron is on fire for Zeta and ready to work!

TAU PSI ZETA CELEBRATES SWEET 16

Ladies, Laughter & Love: Sweet 16 Laugh-a-thon

Saturday, September 19, 2020 marked the Sweet 16th Anniversary of Tau Psi Zeta Chapter. The celebration was filled with a lot of laughter, with a great host, TPZ's very own Soror Charise Bennett and Chicago's very own Comedian Jay Deep.

Jay Deep is a favorite throughout the United States and abroad. His energetic stand-up routine had entertained audiences in clubs, corporate, civic settings, armed forces and now virtually! Jay Deep entertained Sorors with old and new material, blending his comedic timing with audience participation. Soror Bennett as the host also provided the audience with the best possible experience. She brought energy and allowed charter members, Sorors Renee Byrd and Jackie Collier to share memories of when the chapter started and how far the chapter has come.

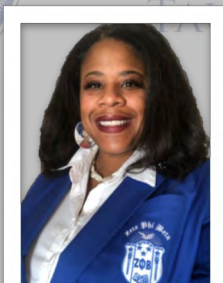

Seeing Jay Deep perform virtually was not just a show, it was a great event!

TPZ had 124 Chapter members, 32 Youth Affiliates and 12 Amicae with a total of 168 in attendance for the conference meeting. These were record breaking numbers for the chapter.

- Pearlettes and Amicettes - 1st Place Chapter Report
- Archonettes - 1st Place Chapter Report
- Nu Delta Chapter - 1st Place Chapter Report
- Omicron Delta Chapter - 1st Place Chapter Report

TPZ continues to prove that hard work and a commitment to our founding principles yields not only results, but acknowledgement. A BIG thanks to our chapter's delegate, *Soror Kiaya Perry* for taking on the task of preparing a report for those who did not attend the State Conference.

"DAY OF CHEER" FOR TPZ ESSENTIAL WORKERS!!

TPZ NU Class organized a "Day of Cheer" for TPZ members who are considered essential workers. With the help of Sorors and Amicae, these essential workers received surprised parades and were gifted with a bag of goodies!

TPZ GETS INVOLVED WITH VOTERS REGISTRATION

By Toni Dunlap

For Voter's registration week, Zeta Phi Beta Sorority, Incorporated, Tau Psi Zeta Chapter Sorors got engaged and worked with "When We All Vote" to make sure that every eligible person able to vote, is registered to vote for the upcoming 2020 Presidential Election. This year's election was very important for many and TPZ spent the day talking to concerned citizens and getting their feedback about the election.

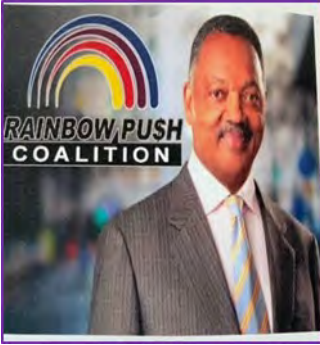

Tau Psi Zeta Chapter partnered with Headz Up Barbershop located in Washington Heights neighborhood and held a two-day voter's registration drive on September 25th & 26th, 2020. People were able to register to vote directly from their phone by using a QR Code or visiting www.weall.vote/zphib. TPZ engaged with over 70 members of the community between the ages of 18-62. Although, a majority of the members of the community Sorors engaged stated they were already registered to vote, but assured they were committed to making their vote count in the upcoming election. Sorors were able to successfully get ten members of the community registered over the two-day registration drive.

The highlight of this event was assisting a 62 year old male register to vote for the first time in his life! Your Vote is your Voice, exercise it!

Tau Psi Zeta Supports Rainbow PUSH

By Soror Covonnia Jones

Reverend Jesse Jackson's Rainbow PUSH Coalition organized a caravan to the Loop on the first day of early voting, October 1, to boost voter turnout and draw attention to this year's presidential election between incumbent President Donald Trump and Democratic candidate Joe Biden. The caravan called, "The John Lewis 'Good Trouble' March to the Ballot Box," was scheduled to depart at 11:30 a.m. from the Rainbow PUSH Coalition headquarters in Hyde Park and arrive at the early voting super site at 191 N. Clark Street.

Drivers were encouraged to decorate their cars with balloons, or sorority or fraternity colors. Sorors from Tau Psi Zeta Chapter supported Reverend Jesse Jackson Sr., who is a member of Omega Psi Pi Fraternity, by riding along in the caravan.

TPZ PARTICIPATE IN NPHC OF CHICAGO CENSUS 2020

The members of the National Pan-Hellenic Council of Chicago participated in seeking to empower Cook County residents to **BE COUNTED** by completing the Census 2020. The NPHC of Chicago answered the call and assembled a 2020 Census Committee to support local census efforts to ensure that our under-counted communities across Cook County are counted.

NPHC secured a partnership with Cook County, the largest county in the State of Illinois, under which the Council served as Cook County Census Champions. Specifically, NPHC partnered with the Cook County Bureau of Economic Development in partnership with the Cook County Complete Count Census Commission to further those efforts.

The theme for this year has been: NPHC of Chicago: **WE COUNT TOO!** NPHC promoted the Census activities primarily via Social Media and outdoor events due to COVID-19.

The NPHC was very creative and successful with their efforts, and the Regional Census Bureau reported an up-tick in census reporting in those areas where NPHC of Chicago focused their efforts.

ZETAS SERVING THE COMMUNITY

By Khalilah Muhammad

Tau Psi Zeta (TPZ) Sorors and Amicae volunteered at the JenCare Senior Medical Center (in partnership with Greater Chicago Food Depository) distributing fresh produce, toiletries and cleaning products.

The food was distributed and was donated. The food distribution is brought to communities that have a high concentration of need but have a relatively low level of pantry assistance. Together, Sorors and Amicae devoted 32 hours to helping hundreds of families at this event. Zeta made the response to this unprecedented need for food possible.

TAU PSI ZETA CALLED TO TAKE ACTION

Tau Psi Zeta (TPZ) Chapter joined the National Pan-Hellenic Council of Chicago in conjunction with the 21st Ward Alderman Howard Brookins Jr., in the community, in an effort to take back the communities and assist with cleaning up the neighborhoods after Chicago experienced protests which led to looting citywide. TPZ also assisted a local Jewel Osco grocery store with their cleanup after they also experienced extension damage as well.

GREAT JOB EVERYONE!!

TAU PSI ZETA CHAPTER SERVES UP A CLEAN HIGHWAY

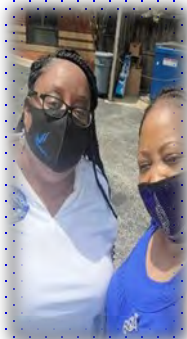

On October 11th and November 8th, 2020, in the Adopt-A-Highway initiative, Tau Psi Zeta Sorors, Zeta Amicae and Zeta Male Network, cleaned a two-mile stretch of 127th Street in Alsip, Illinois. Volunteers were divided into two shifts in compliance with CDC guidelines for COVID-19, and devoted a combined total of 76 hours of service for both days.

By Soror Khalilah Muhammad

Z-HOPE COMMITTEE SETS A BLUEPRINT FOR COMMUNITY SERVICE

In celebration of the Centennial anniversary, Tau Psi Zeta Chapter wanted to recognize Victory Centre of River Oaks, located in Calumet City, Illinois, for their outstanding care and leadership of the seniors during this challenging COVID pandemic. The ZHOPE Committee sponsored meals for the staff members at Victory Centre and donated more than 1,000 essential protective items such as masks, gloves, and sanitizers, for their residents. Victory Centre was also presented with a plaque from TPZ. *Thanks again for continuing to be essential during these unprecedented times.*

TPZ CLEANING AND PLANTING IN THE COMMUNITY GARDEN

TPZ Sorors partnered with Windsor Park Evangelical Lutheran Church, located at 2629 E 76th Street, and volunteered in their Community Peace Garden. The garden, located at 76th Saginaw, was an exciting venture that will produce a healthful, relaxing and rewarding exercise in spiritual and communal interaction. Sorors helped plant shrubs and perennials, weed the area and harvest vegetables. Sorors, along with the help of one of our Sigma Brothers, helped to clear and create a walking path around the community peace garden in order for the community to feel free while enjoying the garden as they take any vegetables they wanted when the garden is finished.

TPZ MAKING STRIDES IN THE FIGHT AGAINST CANCER

Tau Psi Zeta Sorors and Amicae took to the streets, parks, and neighborhoods for the annual Making Strides Breast Cancer 5K walk for Breast Cancer Awareness. Making Strides has always been more than just a walk, it's a movement. Whether it's fueling breast cancer research or helping patients get to treatment, fundraising makes a real difference in the fight against breast cancer. Because of the pandemic, how everyone participated in 2020 for this cause was different, but the passion to end breast cancer is the same. TPZ ended this two day event placing as the #1 team out of 42 teams and raised \$7,342 in donations.

Our top five fundraisers were :

Soror Charlotte Taylor Powers - \$1,014

Soror Linneth Harris—\$808

Soror Nikki Harper— \$545

Soror Latavia Hinton—\$543

Soror Denise Stewart—\$500

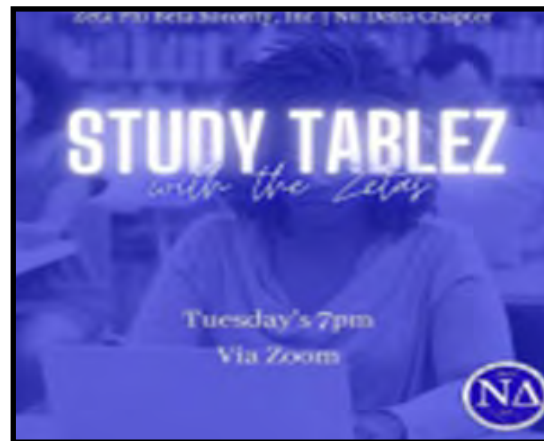

WAY TO GO TPZ!!

Nu Delta Chapter University of Illinois at Urbana-Champaign

By Shannon Blackburn

SCHOLARSHIP

Scholarship, our first principle is shown on the UIUC campus weekly. We host study hours bi-weekly for the rest of campus and weekly for the members of the Nu Delta chapter. These study hours are hosted on Tuesdays at 7pm and they run for two hours. On Tuesday, October 20th we hosted an event called “Grind SZN” this event focused on giving students proper studying tips, self care tips and other stress management tips during the midterm period.

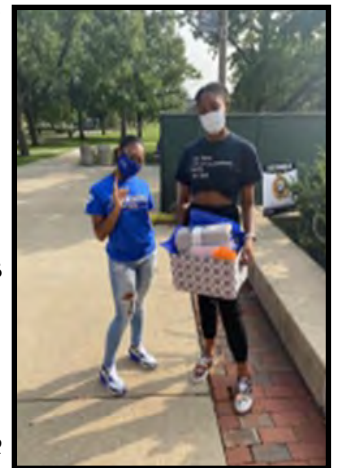

SERVICE

The women of the Nu Delta chapter take pride in the service they do. On June 2nd, the chapter did a lunch drop off the essential workers at the Pavilion foundation. During the month of July, chapter members participated in service projects in both Chicago and Champaign. As the school year began and everyone returned back to campus, the chapter decided to host “the Finest Giveaway” this giveaway gave freshmen the chance to submit brief essays about themselves for the chance to win a basket full of college essentials. Soon after the giveaway the women participated in a candlelight vigil to end police brutality. As the pandemic became more and more prevalent in our daily lives the chapter hosted an event focusing on the do’s and don’ts when it comes to protecting yourself from COVID-19. On Halloween, the

chapter donated over 30 Halloween goodie bags to the children at the Cunningham Children’s home. The month of November began with acts of service, the chapter donated over 100 pairs of socks to U-C at home and Courage Connections. Just last week the chapter donated over 30 PPE kits to the Clark Lindsey Village.

Nu Delta Chapter University of Illinois at Urbana-Champaign

SISTERHOOD

Sisterhood involves everyone in the chapter. The Nu Delta Chapter has a Sisterhood committee to hold events and to kindly remind everyone to be sisterly. Sisterhood is about making sure everyone in the chapter feels loved, respected, and appreciated. It is not just about calling ourselves sisters, but is about acting like a sister. The sisterhood committee has planned things for the chapter like virtual movie nights and game nights. There is also a secret santa/potluck planned for the chapter before fall break.

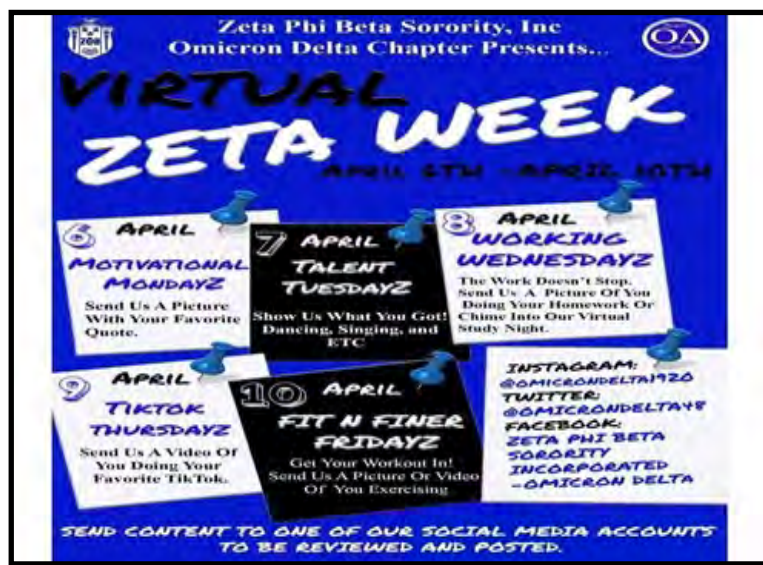

FINER WOMANHOOD

In our virtual Zeta Week “LetZ Stay Home: Zeta Edition”, held from July 12, 2020 to July 18, 2020, we held Trendy TueZday. Trendy TueZday was an event where we planned to broadcast and show off our finer clothing that we would have worn for our Centennial Celebration in Washington D.C and Boule. The members of the Nu Delta chapter exemplify our principle of finer womanhood daily by carrying themselves as the upstanding, hardworking, dedicating and intelligent women that they are.

By Shannon Blackburn

Omicron Delta Chapter - Diva Chapter continues to stand even when the World stood still! Coronavirus also known as COVID-19; affected our lives. Although saddened by having to leave campuses, loved ones falling ill, radical injustices, and the aftermath as a chapter and sisterhood, we pushed forward.

Despite COVID-19, we found creative ways to get engaged and “do what we do.” Sorors on the campus participated in the Black Lives Matter movement and demonstrated peacefully against racial injustices and social disparities; while those in major cities helped with the clean-up from the mass riots that plagued our cities.

April 2020, Omicron Delta (OD) chapter and members earned several awards while being FINER. Ke'Ara Cherry earned several awards; Ruby Trimble Scholarship, Shannon Watkins earned NPHC President of the Year, Shariah Campbell earned New Member of the Year, Lydia Shaw earned Sorority Member of the Year, and our campus advisor Yolanda Williams earned Advisor of the Year, with the chapter earning the Highest GPA award for NPHC. In May 2020 we reflected on the pandemic and ways to cope by hosting a virtual wellness event called “Are you Feeling Blue?” Hosted by Alumni and Soror Maliya Smith, MS. LPC. Raised \$976 through our virtual March of Dimes Campaign. We ended our year on a high note by celebrating our graduates, Morgan Colvin, and Lydia Shaw.

Omicron Delta Chapter Eastern Illinois University

We don't break during the summer, and in June 2020 Soror Shariah Campbell partnered with the Men of Omega Psi Phi Fraternity, Inc. The Upsilon Epsilon Chapter to do community service at a local Chicagoland area.

Chapter members worked alongside the Women of TPZ and the Chicagoland NPHC collecting names for the Census 2020 Awareness Event and a Voter's Registration Drive and Alsip-Merrionette Park Public Library District. The chapter rounded out the month by showing love to our highway (Lincoln Hwy to be exact) for the Global Day of Service.

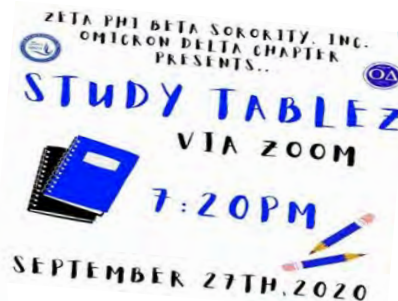

In August, Omicron Delta's very own Soror Kayla Ruth was announced Domestic Violence Coordinator representative for our chapter. Omicron Delta began a new annual event titled "Adopt-A-Freshmen". The freshman was given a basket with college necessities needed for freshman year as well as welcome blue and white family members of Delta Chi to campus.

Omicron Delta Chapter Eastern Illinois University

In September, Omicron Delta got creative. We wanted to stay active on campus with our peers so we started an Instagram Live Podcast called "The ViewZ". The ViewZ weekly, we were able to interact with one another. Because Scholarship is a priority, we also had numerous study tables all semester long. We had a vision board event called "Finer Future". Omicron Delta participated in Meet the Greeks 2020 at Eastern Illinois University. A virtual video was created by NPHC.

In October, we hosted our Fall 2020 Informational. OD also participated in the Sorority's National Initiatives with the American Cancer Society-Making Strides Walk. We collected over \$600 for the cause. We also promoted Domestic Violence Awareness by passing out ribbons at the Z-HOPE event; October Awareness was a double event. We hosted a tabling event where we gave out information about Breast Cancer and Domestic Violence. Students took the Domestic Violence pledge and donated to the cause. Those who donated names were entered into our raffle. Our winner was a Sophomore, Destiny Rogers!

In October 2020, the Chapter attended Zeta Phi Beta Sorority, Inc. Virtual Boule and Virtual -Illinois 54th Annual State Leadership Conference. Omicron Delta won 1st place for Chapter Report for a small chapter.

Omicron Delta is now preparing for its Fall Intake Centennial line. We have chosen seven young ladies who we have no doubt will continue to help our chapter grow and flourish because...

IT'S STILL UR CENTENNIAL!

Amicae New Partnership with JenCare Senior Medical Center

Many urban areas are also implementing initiatives locally to solve their food desert challenges. In Chicago more than 500,000 residents (mostly African-American) live in food deserts, and an additional 400,000 live in neighborhoods with a preponderance of fast food restaurants and no grocery stores nearby. The Alsip Amicae have started a new partnership with JenCare Senior Medical Center which is a family-owned primary and specialty care practice committed to delivering superior healthcare to Medicare eligible seniors. Monthly starting in June, the Amicae were joined by the Zeta in the chapter to distribute food to all of those in need. JenCare has a partnership with Chicago Food Depository in the Chicagoland area to close the gap in the urban food desert. The cars line up for about 6 blocks but had no more than a 15-minute wait. Each month more than 300 families were served each time by the pantry. In June, the National Pan-Hellenic Council of Chicago assisted with supplying PPE for those that stopped by to receive food. Many hands have joined in and we all doing our part to make sure our community is taken care of.

National Amicae Virtual Summer Workshop

The Amicae of Alsip participated in the National Virtual summer workshops on August 8-9, 2020 which was held for Amicae, Amicae Sponsors and Amicae Coordinators. Joining the rest of the Amicae around the globe, Alsip had 14 Amicae and 5 Zetas to attend both days of this informative outpouring of knowledge. Each Regional Amicae Coordinator took on the charge to present a topic. The workshops ranged from topics like Sponsoring and Auxiliary Management during COVID-19 to The Crafting Amicae. They enjoyed lively ice breakers, popup quizzes and even learned about the Fish Philosophy. Soror/Friend Valerie Hollingsworth-Baker thanked the panel for a great afternoon of embellishments and announced that there were approximately 850+ attendees at one point. She suggested that the Amicae workshops should be implemented on a quarterly basis. It was a great two days of learning, fellowshiping, and reconnecting for all. Looking forward to the next series of workshops.

Zeta Amicae of Alsip attended the 54th Annual State of Illinois Virtual Leadership Conference help on

October 16 & 17 and showed up in record breaking numbers. The auxiliary had twelve members in attendance. The largest attendance recorded Alsip Amicae history. They enjoyed and participated in the business sessions and workshops given by both Amicae and Friends. This year the Archonette Club kicked off the year with a Welcome Back Picnic. Returning Archonettes and interested young ladies were invited to this event. Being in the middle of a pandemic did not stop the Archonettes from recruiting new members. Ten new individuals attended the event. During this event, current members were able to learn a little more about one another, discussing possible online activities as well as Executive Board position interests.

As the year got underway, the Archonette Club began to plan for the year. Nominations began, held discussions on Bullying Awareness, engaged in a Social Emotional Learning embellishment activity, and participated in the March of Dimes virtual walk, as well as raised donations. In October, the Archonette Club partnered with The Sigma Beta Club from Phi Beta Sigma Fraternity, Inc., Iota Phi Sigma Chapter for a "Coping With COVID - YOUTH EDITION" forum. There were three guest speakers who brought their own style and expertise to inform the clubs and the guests about ways to deal, cope, and manage a healthy lifestyle during this pandemic. The guest speakers were Maliya Smith, a Licensed Professional Counselor and Certified Kemeti Yoga Teacher, Adriana Fuentes, a Youth Outreach Counselor of Irving Park, and Dr. Milton Armston, a Scholar-practitioner in the field of clinical health psychology and clinical psychopharmacology and is the Department Head for Behavioral Health Services at Community HealthNet in Gary, Indiana.

Maliya Smith was a graduate from Eastern Illinois University, where she received her Bachelors Degree in Psychology and her Masters Degree in Clinical Mental Health Counselor, also where she became a member of Zeta Phi Beta Sorority, Inc., Omicron Delta Chapter. MS. Smith is also the Founder and Owner of Melanin Lighthouse, LLC. Ms. Adriana Fuentes was a graduate from St. Olaf College where she received her Bachelors Degree with a focus of Mental Health and Case Management and is currently working on her Masters of Social Work at Aurora University.

Dr. Armston received his Doctorate in Clinical Psychology from the Illinois School of Professional Psychology at Argosy University. On a daily basis, Dr. Armston delivers cognitive behavioral therapy (CBT), psychiatric medication consultation, and other evidence-based treatments to adult and adolescent clients with a wide range of emotional, behavioral, and physical problems. Each of these speakers provided a diverse spectrum on COVID-19. They explored the myths of this pandemic, how to manage stress during this time, prioritizing tasks, risks, statistics, and many ways to promote self-care.

The November meeting was full of activities. Not only were more nominations accepted, the new members' inductions were held, speeches were given, and officers were elected. Overall, the Archonette Club has 26 members, with even more applications coming in.
